

Proposition 83 – JESSICA’S LAW - will protect our children by keeping child molesters in prison longer; keeping them away from schools and parks; and monitoring their movements after they are released.

A rape or sexual assault occurs *every two minutes*. A child is abused or neglected *every 35 seconds*.

Over 85,000 registered sex offenders live in California. Current law does not provide Law Enforcement with the tools they need to keep track of these dangerous criminals. *Secrecy is the child molester’s biggest tool*. How can we protect our children if we don’t even know where the sex offenders are?

Proposition 83 is named after Jessica Lunsford, a 9 year old girl who was kidnapped, assaulted and buried alive by a convicted sex offender who had failed to report where he lived.

Proposition 83 will:

Electronically monitor, through GPS tracking, dangerous sex offenders for life once they finish their prison terms.

**SUBJECT TO COURT
ORDERED CHANGES**

Require dangerous sex offenders to *serve their entire sentence* and not be released early for any reason.

Create PREDATOR FREE ZONES *around schools and parks* to prevent sex offenders from living near where our children learn and play.

Protect children from INTERNET PREDATORS by cracking down on people who use the internet to sexually victimize children.

Require MANDATORY MINIMUM PRISON SENTENCES for dangerous child molesters and sex criminals.

Allow prosecutors to charge criminals who possess *child pornography with a felony*.
(Current law treats child porn like trespassing or driving on a suspended license!)

Crime Victims and Law Enforcement leaders urge you to pass this much needed reform.

Law enforcement professionals know there is a high risk that a sexual predator will commit additional sex crimes after being released from prison. Prop. 83 keeps these dangerous criminals in prison longer and keeps track of them once they are released.

Proposition 83 *means safer schools*, safer parks and safer neighborhoods.

Proposition 83 *means dangerous child molesters will be kept away from our children* and monitored for life.

Proposition 83 *means predatory sex criminals will be punished* and serve their full sentence in every case.

Our families deserve the protection of a tough sex offender punishment and control law. The State Legislature has failed to pass Jessica's Law time and time again. WE CANNOT WAIT ANOTHER DAY TO PROTECT OUR KIDS.
